NZ housing prices continue to soar. The property research firm CoreLogic's house price index shows that the average house price hit NZ\$788,967 in December 2020, reflecting an increase of 2.6%. Growth for the final quarter of 2020 was 6.1% – the highest recorded since the 6.6% in the three months to February 2004.

Are you keen to get on the property ladder - or increase your property portfolio - but feel like the opportunities are slipping away as you don't have a big enough deposit?

Don't miss out from benefiting from the ever increasing property values. You can receive a return in excess of the current interest rates available from Bank deposits.

Here is an opportunity to combine your funds with other clients. We will manage all aspects of the investment. No worries about landlord decisions or tenant hassles.

Your invested funds will provide regular interest payments.

We are launching our Property Investment Scheme (PIS) today. Already a number of clients have shown interest in this.

Give us a call to discuss how you can invest a sum of \$ 50,000 or more in property.

We believe in property as the way to give you a good return on your investment.

Let us help you to achieve this. 😊
